#### RESOLUTION

*Simla, the 2nd August 1916*

The following letter received from the Government of the East Africa Protectorate is published for general information.—

P. S

No. S 99-30

THE SECRETARIAT.

Nairobi,

East Africa Protectorate,

June 27th, 1916

Sir,

I have the honor to inform you that the Government of the British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1906 and the Immigration Restriction Amendment Ordinance, 1910

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under Section 5 (a) might be permitted to enter the Protectorate on payment of a deposit according to nationality. In the course of time the registration was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of deposit

In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is in itself objectionable inasmuch as the deposit prescribed by Section 11 of the Ordinance of 1906 is payable before landing, and if this section is read together with Section 3 (1) of the Amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1916 and I have the honor to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred

I have the honor to be,

Sir,

Your most obedient servant.

Chief Secretary to the Government.

Merchandise disembarked from requisitioned German ships may be admitted, under Customs bond, into private warehouses under the following conditions—

3. Similarly the Royal Authorities are exonerated from any responsibility for any loss or damage which the merchandise may suffer after leaving the present warehouses;

4. The new warehouses shall not be connected with maritime business or traffic;

5. The expenses borne up to now by the competent maritime authorities on account of the merchandise, whether for discharge or warehousing, shall be paid before leaving the present warehouses.

Firms desirous of benefiting by the above-mentioned concession should address specific requests to the Royal Ministry of Finance through the competent Customs Authority.
